### Teams up with IOB

Payment solutions company TechProcess Solutions has tied up with Indian Overseas Bank (IOB) to offer its online payment services to the bank's customers. Under this partnership, IOB account holders will be able to access TechProcess' network of web merchants and pay for products and services seamlessly through their bank accounts. TechProcess' payment gateway is integrated with over 24 of India's leading public sector, private and foreign banks to effect online payments through net banking. In addition to net banking, TechProcess also supports payments through credit cards, debit cards, cash cards as well as a variety of RBI retail systems such as ECS, NEFT, etc
